Scrambling the Enemies' Radar

Prayer

Father Yahweh in the name of Yashua we ask that you would release your Warrior Angels and Heavenly Hosts, and we decree and declare that they would take us off the enemies' radar and scramble the enemies' Frequencies/Airwaves in all dimensions above and below, and we seal off all access points above and below with the BLOOD of Yashua. Father Yahweh in the name of Yashua we Bind, Break, and render Powerless all forms of Retaliation and Backlash from the enemy in every dimension above and below. We decree and declare in the name of Yashua that any enemy that issues an order for Backlash or Retaliation would be covered in the Blood of Yashua, Struck Dead with the Lightning Rod of Yahweh, and the remains Burned up with the Holy Fire of Yahweh. Your kingdom must come now, your will must be done right now as in the heavens also on the earth. Amen.
